

Rejoice this Christmas in our Saviour, Jesus Christ, the Son of God! Every day He is doing new things!

Some New Things In Our Lives:

- We're safely back home in Perth after a wonderful trip to the east coast of Australia visiting churches, family and friends and driving over 14,000 kilometres!
- We have tickets to fly back to the Philippines on January 7th!
- Hugging our son after being apart for 6 weeks and looking forward to Christmas together.
- Amazing things that you'll see in this video (link below) of the new church building in Lapoc underway. Our brothers there are loving being able to serve with some of the manual work!
