

## July, 2021 Harvests.....

Our Dear Co-workers,

This is a report of the harvests that have been reaped this month of July, 2021.

**July 9<sup>th</sup>**, in the village of Buyatak, 17 precious souls were harvested for the Lord. In the village of Mayahay, 3 precious souls were harvested for the Lord.

**July 15<sup>th</sup>**, in the village of Kapisahan, 12 precious souls were harvested for the Lord.

**July 17<sup>th</sup>**, in the village of Gawgawon, 8 precious souls were harvested for the Lord. Among those saved in Gawgawon was man in his 60's who told those present that if they could look into his heart, they would find inside, faith in Jesus and heaven his new destination.

These dear new believers in Jesus all said something very profound to the ones who had been hiking so far and with such difficulty for so many months to bring them the message of the glorious Gospel of our Lord Jesus. They said, **"If you hadn't come here to teach us, we would never have heard the message of Salvation!"**

Please pray (especially on Fridays and Saturdays) for the villages of Buyatak, Rubucon, Mahayahay, Pinatagan, Kapisahan, Gawgawon, Tingalan and Caribao. These are villages ripe unto harvest, the harvesters have arrived, and the harvest is ongoing.

For His Glory.....Paul and Deb for the team!
